5. LEGAL SEAT OF THE ARBITRATION

Article 16 UNCITRAL Arbitration Rules (1976); Article 1130 NAFTA

- 5.1 The legal seat of the arbitration shall be Washington, D.C.
- 5.2 The Arbitral Tribunal may, in its discretion, convene hearings at any location other than the seat of arbitration and will decide on such location after hearing the Disputing Parties and taking into account all relevant circumstances.

6. APPLICABLE SUBSTANTIVE LAW

Article 33 UNCITRAL Arbitration Rules (1976); Article 1131 NAFTA

- 6.1 Article 1131 of the NAFTA provides that:

Article 1131: Governing Law

1. A Tribunal established under this Section shall decide the issues in dispute in accordance with this Agreement and applicable rules of international law.
2. An interpretation by the Commission of a provision of this Agreement shall be binding on a Tribunal established under this Section.

7. APPLICABLE PROCEDURAL RULES

Article 1 UNCITRAL Arbitration Rules (1976); Articles 1120(1)(c), 1120(2), 1139 NAFTA

- 7.1 The procedure in this arbitration shall be governed by the *UNCITRAL Arbitration Rules (1976)* except as modified by the provisions of Section B of Chapter 11 of the NAFTA (*per* Article 1120(2) of the NAFTA).
- 7.2 If these provisions and rules do not address a specific procedural issue, the Arbitral Tribunal shall, after consultation with the Disputing Parties, determine the applicable procedure. In addition, the Arbitral Tribunal may seek guidance from, but shall not be bound by, the *2010 IBA Rules on the Taking of Evidence in International Commercial Arbitration*.

8. **PROCEDURAL LANGUAGE, TRANSLATION AND INTERPRETATION**

Articles 17 and 25(2) UNCITRAL Arbitration Rules (1976)

- 8.1 The proceedings shall be conducted in English.
- 8.2 All documentary evidence and legal authorities in a language other than English shall be submitted in the original along with a translation to English. Whenever lengthy documents need to be translated, the translation may be limited to the relevant passages together with such other portions of the document as may be necessary to put those passages in proper context. Each Disputing Party shall bear its own cost of translations. Translation of documents into English need not be certified. However, if a dispute arises as to the accuracy of a translation, the matter shall be decided by the Arbitral Tribunal. For ease of reference, the Disputing Parties shall paginate any translation in the same way as the original document.
- 8.3 Witness testimony in a language other than English shall be interpreted simultaneously to English. The costs of the interpreter(s) will be paid from the advance payments made by the Disputing Parties, without prejudice to the decision of the Arbitral Tribunal as to which Disputing Party shall ultimately bear those costs. The Disputing Parties shall notify the Arbitral Tribunal no later than the pre-hearing conference which witnesses and/or experts will require interpretation.

9. **BIFURCATION**

- 9.1 Liability and damages shall be dealt with in two separate phases in these proceedings.

10. **WRITTEN SUBMISSIONS**

Articles 15(3), 18-20, 22 UNCITRAL Arbitration Rules (1976)

- 10.1 The Claimant shall submit a letter designating their Notice of Arbitration as the Statement of Claim and the Respondent shall submit a Statement of Defence, following which the Claimant shall submit a Memorial and the Respondent shall submit a Counter-Memorial. After the production of documents phase (Section 12 below), the Claimant shall submit a Reply and the Respondent shall submit a Rejoinder. Each pleading shall include allegations of facts and law in a detailed, specific and comprehensive manner, together with all evidence upon which they rely such as documents, witness statements, and expert reports.

Procedural Order No. 1

- 10.2 The Disputing Parties may include with their Reply and Rejoinder submissions only evidence responding to or rebutting matters raised by the other Disputing Party's immediately preceding written submission or documents produced by that other Disputing Party with, or in the period following, that submission.
- 10.3 On the date on which the submission is due, the relevant Disputing Party shall submit an electronic version of its written submissions, including its briefs, memorials, expert reports and witness statements, and an index of its exhibits and legal authorities by e-mail (in MS Word format or "searchable" PDF format) to the other Disputing Party, to the Secretary to the Tribunal, and to each arbitrator.
- 10.4 Within three business days following the filing of its written submissions by e-mail, the submitting Disputing Party shall send by courier one copy of its written submissions in the format (A4/Letter or A5) to be advised (including exhibits) to the other Disputing Party, to the Secretary to the Tribunal, and to each arbitrator. In addition, a USB key containing the submissions, the exhibits and the legal authorities in electronic format (in MS Word format or "searchable" PDF format) for each individual document (which should be clearly labelled) shall be sent by courier to the other Disputing Party, to the Secretary to the Tribunal, and to each arbitrator.
- 10.5 Submissions and correspondence shall be deemed to have been timely filed if sent via electronic mail on or before midnight (in Washington and Ottawa) on the date due.
- 10.6 In instances where the Arbitral Tribunal orders simultaneous filings, the procedure shall be as follows:
- a) Each Disputing Party shall file its submission with the Secretary of the Tribunal and the arbitrators by the agreed deadline.
 - b) Each Disputing Party shall then notify the other Disputing Party that it has filed its submission.
 - c) The Secretary of the Arbitral Tribunal will hold the submissions until both simultaneous submissions have been received. Once both submissions have been received, the Secretary of the Tribunal will then circulate the submissions to the Disputing Parties. Due to the agreed midnight deadline, it is understood that in some cases the Disputing Parties may not receive the submissions until the following morning. In such circumstances, the Secretary of the Tribunal will use best efforts to circulate the submissions by 9 a.m. the following morning.

11. EXHIBITS AND LEGAL AUTHORITIES

Articles 18(2), 19(4), 24 UNCITRAL Arbitration Rules (1976)

- 11.1 The Disputing Parties shall identify each exhibit and legal authority submitted to the Arbitral Tribunal with a distinct number.
- 11.2 Each exhibit submitted by the Claimant shall commence with the letter “C” followed by the applicable consecutive number, *i.e.* C-001, C-002, and so forth. Each exhibit submitted by the Respondent shall commence with the letter “R” followed by the applicable consecutive number, *i.e.* R-001, R-002, and so forth.
- 11.3 Each legal authority submitted by the Claimant shall commence with the letters “CL” followed by the applicable consecutive number, *i.e.* CL-001, CL-002, and so forth. Each legal authority submitted by the Respondent shall commence with the letters “RL” followed by the applicable consecutive number, *i.e.* RL-001, RL-002, and so forth.
- 11.4 The Disputing Parties shall submit all hardcopy exhibits in files with separate tabs for each exhibit.
- 11.5 It shall not be necessary for the Disputing Parties to submit hardcopies of their legal authorities.
- 11.6 Each pleading shall be accompanied by a cumulative index hyperlinked to the supporting exhibits and legal authorities.
- 11.7 The Disputing Parties shall submit all exhibits together with written submissions expressly referring to them. As a general rule, the Arbitral Tribunal shall not receive any evidence that has not been introduced with the written submissions.
- 11.8 In exceptional cases, the Arbitral Tribunal may allow a Disputing Party upon requesting leave and after hearing the other Disputing Party, to submit additional exhibits at a later stage of the proceedings if appropriate in view of all the relevant circumstances. The requesting Disputing Party may not annex the documents that it seeks to file to its request.
- 11.9 The use of demonstrative exhibits in aid of argument (such as charts or tabulations) will be allowed at oral hearings, provided that no new evidence is contained therein, and that such exhibits include citations to the relevant record. A hard copy of any such demonstrative exhibit shall be simultaneously provided by the Disputing Party submitting such exhibit to the other Disputing Party, to the Secretary of the Arbitral

Tribunal, and to each arbitrator.

- 11.10 All documents, including both originals and copies, submitted to the Arbitral Tribunal shall be deemed to be authentic unless disputed by the other Disputing Party, in which case the Arbitral Tribunal will determine whether authentication is necessary.
- 11.11 The Disputing Parties shall either submit all documents to the Arbitral Tribunal in complete form or indicate the respects in which any document is incomplete.

12. DOCUMENT PRODUCTION

- 12.1 On the relevant dates set forth in the Procedural Calendar (Annex B):
- a) Each Disputing Party may serve a request for production of documents on the other Disputing Party. Every request for production of documents shall precisely identify each document, or category of documents, sought and establish its relevance. Such a request shall not be copied to the Arbitral Tribunal or the Tribunal Secretary;
 - b) If and to the extent that a Disputing Party objects to the production of requested document(s), that Disputing Party shall submit such objection in writing to the requesting party only;
 - c) The Disputing Party which made the request shall comment in writing on any objection and submit the completed Redfern Schedule referred to in Section 12.2 below to the Secretary of the Tribunal and Arbitral Tribunal, with a copy to the other Disputing Party (in both Word and PDF formats);
 - d) The Arbitral Tribunal shall decide on any objections to production of requested documents; and
 - e) The Disputing Parties shall produce all documents for which no objection is sustained by the Arbitral Tribunal.
- 12.2 The request, responses or objections to the request, the reply to the responses or objections to the request, and the Arbitral Tribunal's decisions referred to in this Section shall be recorded in the Redfern Schedule attached at Annex A of this Order. This format shall be used with respect to the writings referred to in this Section, but

may be accompanied by a separate letter or brief in a format other than the Redfern Schedule.

- 12.3 Documents shall be disclosed in response to such a request in electronic format only by sending via courier by the date fixed by the Arbitral Tribunal for such disclosure, a CD-ROM, USB key or other similar media containing the documents in electronic format with each individual document clearly labelled with a unique identifying number. The media should also contain an index of the documents contained.
- 12.4 Documents so disclosed shall not be considered to be part of the record unless and until one of the Disputing Parties subsequently submits them in evidence to the Arbitral Tribunal in accordance with Section 11.
- 12.5 In addition, the Arbitral Tribunal may of its own motion order a Disputing Party to produce documents at any time.
- 12.6 Each Disputing Party may withhold from disclosure documents which it considers not subject to production based on a legal impediment or privilege, or special political or institutional sensitivity. If a Disputing Party withholds documents on one of these bases, it shall submit to the other Disputing Party either: (a) a log identifying such documents (or categories of documents) and the grounds for withholding; or (b) redacted versions of such documents identifying the grounds for withholding. Either Disputing Party may apply to the Arbitral Tribunal to resolve a question regarding the sufficiency of a log or redaction submitted under this Section.
- 12.7 Any disputes regarding the withholding of documents on the basis of a legal impediment or privilege, or special political or institutional sensitivity shall be resolved by the Arbitral Tribunal. In considering whether to exclude from production any documents on the grounds of a legal impediment or privilege, or special political or institutional sensitivity, the Arbitral Tribunal may consider, but is not bound by, Article 9 of the *IBA Rules on the Taking of Evidence in International Commercial Arbitration (2010)*.
- 12.8 In exceptional circumstances, if the propriety of an objection can be determined only by review of the document, the Arbitral Tribunal may determine that it should not review the document. In that event, the Arbitral Tribunal may, after consultation with the Disputing Parties, appoint an independent and impartial expert ("Confidentiality Advisor"), bound to confidentiality, to review any such document and to report on the objection. To the extent that the objection is upheld by the Arbitral Tribunal, the Confidentiality Advisor shall not disclose to the Arbitral Tribunal or to the other Disputing Party the contents of the Document reviewed. Any such Confidentiality

Advisor shall be required to sign an appropriate confidentiality undertaking.

13. WITNESSES

Articles 15(2) and 25 UNCITRAL Arbitration Rules (1976)

- 13.1 Any person may present evidence as a witness, including a Disputing Party or a Disputing Party's officer, employee, or other representative.
- 13.2 For each witness, a written and signed witness statement shall be submitted to the Arbitral Tribunal. The Arbitral Tribunal shall not admit testimony of a witness who has not submitted a written witness statement, unless the Arbitral Tribunal determines that extraordinary circumstances exist and upon a showing of good cause. If such testimony is admitted, the opposing Disputing Party shall be given an appropriate opportunity to respond to such testimony.
- 13.3 Witness statements shall be submitted together with the Disputing Parties' written memorials. The witness statements shall be numbered separately from other documents and include each witness' surname (e.g. "CWS (Claimant's witness statement) - [surname of witness]"). Where a witness submits more than one witness statement, his or her subsequent witness statements shall be numbered accordingly (e.g. "CWS - [surname of witness] - 2").
- 13.4 Each witness statement shall state: (1) the name and address of the witness; (2) his or her relationship to, and interest in, any of the Disputing Parties in this arbitration; and (3) the substance of the evidence that the Disputing Party will present through the testimony of the witness at the hearing. Each witness statement shall be signed by the witness, providing the date and place of signature.
- 13.5 By the date set forth in the Procedural Calendar (Annex B), each Disputing Party shall notify the other Disputing Party, with a copy to the Arbitral Tribunal and Tribunal Secretary, which witnesses of the opposing Disputing Party it wishes to cross-examine at the hearing. The Arbitral Tribunal will then indicate the witnesses not called by the Disputing Parties whom it wishes to question, if any.
- 13.6 Each Disputing Party shall be responsible for summoning its own witnesses to the applicable hearing, except when the other Disputing Party has waived cross-examination of a witness and the Arbitral Tribunal does not direct his or her appearance.

- 13.7 Each Disputing Party shall cover the costs of appearance of its own witnesses (except with respect to interpretation, addressed in Section 8 above). The Arbitral Tribunal will decide upon the appropriate allocation of such costs in the final award or at the time the arbitration is concluded.
- 13.8 If a witness cannot appear during the scheduled dates or without notice fails to appear when first summoned to a hearing, the Arbitral Tribunal may, at its discretion, summon the witness to appear a second time, if it is satisfied that: (1) there was a compelling reason for the witness' first failure to appear; (2) the testimony of the witness is relevant to the adjudication of the dispute; and (3) providing a second opportunity for the witness to appear will not unduly delay the proceeding.
- 13.9 The Arbitral Tribunal may consider the witness statement of a witness who provides a valid reason for failing to appear when summoned to a hearing, having regard to all the surrounding circumstances, including the fact that the witness was not subject to cross-examination. A witness who is not called for cross-examination has a valid reason not to appear. The Arbitral Tribunal may decline to consider the witness statement of a witness who fails to appear and does not provide a valid reason.
- 13.10 Witnesses shall be examined in person except in exceptional circumstances as determined by the Arbitral Tribunal.
- 13.11 At any hearing the examination of each witness shall proceed as follows:
- a) the Disputing Party summoning the witness may briefly examine the witness for the purpose of introducing the witness, correcting, if necessary, any errors in the witness statement and addressing matters arising after the witness statement was given, if any;
 - b) the adverse Disputing Party may then cross-examine the witness;
 - c) the Disputing Party summoning the witness may then re-examine the witness with respect to any matters or issues arising out of the cross-examination. At the discretion of the Arbitral Tribunal, the adverse Disputing Party may re-cross examine the witness, with the re-cross examination limited to the witness' testimony on re-examination; and
 - d) the Arbitral Tribunal may examine the witness at any time, either before, during or after examination by one of the Disputing Parties.

- 13.12 During the Pre-hearing Conference, the Arbitral Tribunal in consultation with the Disputing Parties shall determine which witnesses may be present in the hearing room during oral statements and testimony, and the order in which such witnesses shall be examined.
- 13.13 It shall not be improper for counsel to meet witnesses and potential witnesses to establish the facts, prepare the witness statements, and prepare the examinations. Once direct examination begins, a witness shall remain sequestered from counsel until his or her testimony is complete.

14. EXPERTS

Article 15(2) UNCITRAL Arbitration Rules (1976)

- 14.1 Each Disputing Party may retain and submit the evidence of one or more experts to the other Disputing Party, the Secretary to the Arbitral Tribunal and the Arbitral Tribunal. Expert reports shall be accompanied by any documents or information upon which they rely, unless such documents or information have already been submitted as exhibits with the Disputing Parties' memorials, in which case reference to such exhibits shall be sufficient. The procedural rules set out in the above Section 13 shall apply by analogy to the evidence of experts.
- 14.2 Each expert report shall include the information listed in Section 13.4 above, as well as a statement of qualifications of the expert in the claimed area of expertise. Each expert report shall attach a current *curriculum vitae* evidencing such qualifications.

15. PROCEDURAL REQUESTS

- 15.1 All procedural requests shall be made in writing. Unless otherwise ordered by the Arbitral Tribunal, the other Disputing Party shall have five business days, not including the day on which the request was made, to reply in writing to a request. No further submissions on a request shall be made by either Disputing Party without the express authorization of the Arbitral Tribunal in advance.

16. NOTIFICATIONS AND COMMUNICATIONS

Article 15(3) UNCITRAL Arbitration Rules (1976)

- 16.1 Each Disputing Party shall address all communications, submissions and documents directly and simultaneously to each member of the Arbitral Tribunal, with a copy to the other Disputing Party and the Secretary to the Tribunal, subject to Section 10.6.
- 16.2 All notifications and communications in this arbitration shall be valid, provided that they are made: in the case of the Arbitral Tribunal, to each of its members at the addresses set out in Section 3 above, or as subsequently notified during the course of the proceedings; in the case of the Disputing Parties, to their respective counsel at the addresses set out in Section 2 above, or as subsequently notified during the course of the proceedings. Any changes in the addresses or other particulars set out in Section 2 above shall be notified to the Disputing Parties' counsel, the Arbitral Tribunal and the Secretary to the Tribunal. Prior to the receipt of such notification, all communications and notifications may be validly made to addresses set out in Section 2 above.
- 16.3 Subject to Section 10.4 above, all notifications and communications by the Disputing Parties and by the Arbitral Tribunal, except for awards, shall be made, by e-mail.

17. NON-DISPUTING NAFTA PARTIES

Article 1128 NAFTA

- 17.1 The Governments of Mexico and the United States may make submissions to the Arbitral Tribunal within the meaning of Article 1128 of the NAFTA by the date indicated in Annex B. Pursuant to Articles 1127, 1128 and 1129 of the NAFTA, non-disputing NAFTA Parties may attend oral hearings, and are entitled to receive a copy of confidential versions of transcripts, written submissions and exhibits, including witness statements and expert reports. Non-disputing NAFTA Parties shall be made aware of the Confidentiality Order, and pursuant to Article 1129 of the NAFTA, shall treat all information received from the Respondent as if they were a disputing Party, notably in respect of protection of confidential information.
- 17.2 The Disputing Parties shall have the opportunity to comment on any Article 1128 submission by the relevant date indicated in Annex B.

18. AMICI

- 18.1 If a request for the submission of an *amicus curiae* brief is filed by the date indicated in Annex B, the Arbitral Tribunal will give the appropriate directions in the exercise of its powers under Article 15 of the *UNCITRAL Arbitration Rules (1976)* and take into consideration the recommendation of the North American Free Trade Commission on non-disputing party participation of 7 October 2003.
- 18.2 By the relevant dates indicated in Annex B, the Disputing Parties shall have the opportunity to: (1) make submissions on any request for the submission of an *amicus curiae* brief; and (2) file simultaneous observations on issues raised in any *amicus curiae* brief submitted pursuant to a decision of the Arbitral Tribunal.

19. CALENDAR

- 19.1 The Procedural Calendar of this arbitration is attached as Annex B and made an integral part of this Order.

20. STATUS OF ORDERS

Article 15(1) UNCITRAL Arbitration Rules (1976)

- 20.1 Any Order of the Arbitral Tribunal may, at the request of a Disputing Party or at the Arbitral Tribunal's own initiative, be varied if the circumstances so require.

21. FEES AND EXPENSES OF THE MEMBERS OF THE ARBITRAL TRIBUNAL

Article 39 UNCITRAL Arbitration Rules (1976); ICSID Schedule of Fees; ICSID Administrative and Financial Regulation 14

- 21.1 Subject to revision, the time spent on this arbitration by the members of the Arbitral Tribunal shall be compensated at the rate of USD \$3,000, or such other fee as may be set forth from time to time in the *ICSID (Schedule of Fees)*, for each day of participation in meetings of the Arbitral Tribunal of eight hours of other work performed in connection with the proceeding or *pro rata*.
- 21.2 All direct travelling expenses reasonably incurred in relation to the arbitration shall be reimbursed within the limits set forth in *Regulation 14 of the ICSID Administrative and*

Financial Regulations and The Memorandum on the Fees and Expenses of ICSID Arbitrators.

- 21.3 Subject to the disbursement of any fees and expenses from the sums deposited in accordance with Section 22, all fees and expenses shall be paid within 30 days of their quarterly invoice. The Arbitral Tribunal may withhold any award or decision until such fees and expenses have been paid.

22. APPORTIONMENT OF COSTS AND ADVANCE PAYMENTS

Article 41 UNCITRAL Arbitration Rules (1976); ICSID Administrative and Financial Regulation 14

- 22.1 Without prejudice to the final decision of the Arbitral Tribunal regarding costs, the Claimant and the Respondent agree to share equally advance payments for the fees and costs of the Arbitral Tribunal and of ICSID as administering authority. Upon the issuance of an award, the Arbitral Tribunal may apportion the costs of the arbitration between the Disputing Parties if it determines apportionment is reasonable under the circumstances of the award.
- 22.2 By letter of 17 April 2014, ICSID requested that each Disputing Party pay US\$100,000 to defray the initial costs of the proceeding. ICSID received the Claimant's payment on 5 May 2014 and the Respondent's payment on 6 May 2014. ICSID shall request further advances as needed. Such requests shall be accompanied by a detailed interim statement of account.

23. PRE-HEARING CONFERENCE

- 23.1 A pre-hearing conference shall be held on the date indicated in Annex B by telephone or videoconference between the Arbitral Tribunal, or its President, and the Disputing Parties in order to resolve any outstanding procedural, administrative, and logistical matters in preparation for the hearing.

24. RECORD OF HEARINGS
