Procedural Order No. 4

1. Further to the procedural timetable established in Annex A of Procedural Order No. 1 and the Tribunal's Procedural Order Nos. 2 and 3, a hearing on the bifurcated jurisdictional issue and the Claimant's request for provisional measures was scheduled to be held by videoconference on May 12, 2021.
2. By email of May 11, 2021, the Respondent informed the Tribunal that the Parties "reached an agreement mutually to request the Tribunal to postpone the hearing scheduled for tomorrow on the bifurcated issue and provisional measures, to provide an opportunity for the dispute to be settled," while reserving the "right of either Party to request that the hearing be rescheduled in the event they consider circumstances so require." The Claimant confirmed its agreement with the contents of the Respondent's communication by separate email. ICSID's email of May 11, 2021 confirmed the Tribunal's approval of the suspension.
3. By email of June 25, 2021, the Claimant informed the Tribunal that the Parties were engaged in "ongoing discussions" regarding the settlement of the dispute, and agreed that the "the procedural calendar set out in Annex A to Procedural Order No. 1 should be temporarily suspended" and that "[s]hould the procedure need to be resumed, the parties will seek to agree on a revised procedural calendar." The Respondent confirmed the contents of the Claimant's communication by separate email of the same date.
4. The Tribunal confirms its approval of the suspension of the procedural calendar set out in Annex A of Procedural Order No. 1 as agreed by the Parties. This suspension includes the release of the August 2022 hearing dates. The Tribunal invites the Parties to provide an update on the status of their negotiations by September 1, 2021 and every 10 weeks thereafter.
